Who is eligible to be the Face of Foothills?

Anybody is eligible to enter- we have no height, sex or age restrictions. All those under 18 on our site provided proof of parental permission. We welcome both amateur and professional models as a part of the contest.

Can I enter this year?

Sorry, we stopped accepting entries for this year's contest on July 31, 2009. Please submit a head shot and full-length shot for next year by e-mailing faceoffoothills@mediathatdelivers.com. But before you hit send, please check out the [rules and regulations here](#).

The rules said to submit a photo without makeup. All the models in the contest are wearing makeup. Was I not accepted because I submitted a photo without makeup on?

No, almost all of our models submitted photos sans-makeup, and we gave equal consideration to all entrants, regardless of the type of photo submitted. We asked our top choices if they'd like to submit a professional headshot for Web voting so photos would appear more finished and consistent with the rest of our site.

I did not know men or minors could enter the contest.

In May we opened the contest up to as many types of people as possible, which were reflected in [a press release we published here](#) and [rules we published here](#). All those under 18 we chose to feature on our site provided proof of parental permission. We hope you enter our contest next year!

How does voting work?

Voting is unlimited, so models are encouraged to promote the contest to friends and family. There are two rounds of voting, giving the public a lot of say in who makes our final round.

***Semi-Finalists**

The top 100 Semi-Finalists vote from August 15 to September 15. The 50 models with the most votes will then move on to the finalist round.

***Finalists**

Finalist contestant votes will be reset, and the second round will take place from September 18 to October 18. The 50 Finalists will be narrowed down to 10 through this round of voting.

***Top Ten**

AFM's creative team and a panel of judges will then choose a winner from the final 10 models to be the Face of Foothills.

What does the winner receive?

The winner receives an amazing prize package worth more than \$10,000. (Restrictions may apply on prizes, all prizes are based on availability and not redeemable for cash.) This package includes:
