

Arizona Mall Announces Expansion

Written by Melissa Larsen

One of Arizona's favorite spots to shop for super deals is expanding. On March 14, Arizona Mills in Tempe will debut an expanded H&M store, adding children's fashions. Come summer, Arizona Mills' first-in-market locations of O'Neill and Conn's will open at the mall while Shoe Palace makes its debut at the shopping center very soon. O'Neill is a leader in beach lifestyle sportswear for men and women; Conn's will sell everything from appliances, electronics and computers to furniture, mattresses and lawn and garden equipment; and Shoe Palace specializes in athletic shoes and apparel for the whole family. www.arizonamills.com.
