When you choose Katie Halle with The Halle Group you get top-notch service, knowledge, education, & 14 years combined experience in residential real estate and residential mortgage.

Originally from New England and now residing in Scottsdale, Arizona, Katie Halle, a multi-million dollar producer, began her career as a mortgage loan originator and later became a licensed, professional Realtor with Keller Williams Realty. She has consistent, proven results and has exponentially increased her production each year even in the challenging housing market that Arizona has recently faced. She owes it all to extensive experience, knowledge of the market place, and her dedication to excellent customer service and incredible work ethic. Her clients are more than just clients and typically become life-long friends.

In her spare time, Katie performs as a professional vocalist and enjoys quality time with her family and German Shepard pup, Layla.
