

Too In Love: Love Quotes Scarves

Too In Love

OMG, I know. A SCARF, Claire? In June? But hear me out.

Love Quotes scarves, while not new in the world, are hands-down the most worn accessory in my closet. They look fantastic with a T-shirt and Ray-Bans in the summertime, as cover-up-turned-dinner wrap on vacay, a wedding accessory, cold day blazer-topper, table cloth, picnic blanket, beach towel? They're big. Man! Anything you want.

The lightweight fabric breathes enough, without being too open. It comes in a rainbow of colors.

A little pricey, but 1,000% worth it. So quality. And the more you wear it, the more worn (and better!) it gets.
