

Gettin' Baggy With It: Baggu Bags

Written by Claire Perkins

Gettin' Baggy With It

I received a Baggu Bag this weekend as a gift, and am in love!

These little nylon bags fold up into teeny squares, small enough to fit in a mini, matching 3" x 3" pouch. They come in baby (for lunch or pool time) regular (for shopping) and Big, for times when you have to carry around your golden retriever.

[Baggu](#), \$7.
