

## Techcessories: Kate Spade Earbuds

Written by Claire Perkins

---

### Techcessories

Do your earbuds get gross? Well, not the buds, the cords. The white, flossy, pretty white cords get gray and dirty. It's just a fact of life if you own an iPod, right?

It didn't bother us until we saw these new Signature Spade Earbuds from Kate Spade - the striped cords, build-in mic, spaded-out buds and dangling charm are enough to make us ditch our old faithfuls.

[Kate Spade](#), \$45.
