Tuesday, 05 March 2013 21:49 - Last Updated Monday, 01 April 2013 08:29

Crafted from the finest pure essential oils, this scent blends Spanish lavender, rose absolute, violet leaf and Madagascar vanilla for a fragrance that leaves you feeling fresh. Traditional fragrances are composed of harsh chemicals and acids that can dry out or agitate skin. Lavanila perfumes are infused with organic sugar cane and soothing botanicals, making it safe for the skin and 100 percent healthy.

One Love Organics Chia Whip, \$28

Every single ingredient of One Love Organics Chia Whip is plant-based and free of the harsh chemicals you may find in competitor's cleansers. This handmade, fragrance-free cleanser creates a sea of bubbles that washes away makeup, excess oil and other impurities that your skin is exposed to each day. Perfect for sensitive skin, Chia Whip cleanses without dehydrating or stripping your skin. One Love Organics uses the highest grade ethically sourced raw materials for their products, for luxurious and guilt-free application.

Burt's Bees Facial Cleansing Towelettes

Infused with white tea, aloe and cucumber extracts, the Burt's Bee's facial cleansing towelettes wipe away impurities, cleanse and tone in one simple step. Give your skin the care that it needs no matter where you are with the FSC-certified natural fabric enriched with Vitamin E and C. White tea is believed to neutralize free radicals and help minimize damage from environmental pollutants. Each one of Burt's Bees beauty products is labeled with a "natural bar" scale, allowing shoppers to identify the high level of natural ingredients used in their products.
