Most people love Easter, but everyone knows it's the kids who can't get enough of the family-friendly chocolate-covered holiday. Help your little girls look their very best and really stand out Easter Sunday with our list of the top 10 Easter dresses for kids this spring.

Classic Black and White

It's a staple for a reason. Reminiscent of a mini Audrey Hepburn number, this dress is perfect for the simple young fashionista and the jewel detailing adds a little bit of flair to an already elegant outfit.

Pastel Pattern

It's an Easter staple: the pastel printed dress. If you're looking to go the more traditional route, your child will love this sweet and sassy purple patterned design. With ruffled sleeves, a cinched in waist and tiny bow detailing, this look says only one thing: purely adorable.

White Lace

Lace isn't just for the older fashionistas. This number is sweet and angelic with just the right amount of elegance thrown in. The black belt adds a pretty contrast to a very simple look. It's perfect for a church service or formal dinner party Easter Sunday.

Neon Floral

Since it is spring, florals are all over the place in kid fashion but that doesn't mean that you have to go pastel or simple. If you have a little girl who just loves to stand out, this is just the look. The bright bold pattern will draw everyone's eye while the eye-popping colors will contrast the typical pastels Easter is normally associated with.
