If there's one thing we know for sure, it's that fashion advice is never something to overlook, especially if they're coming from Simon Doonan. Stylish author, columnist and contributor of the most fashionable places on the planet, not to mention his work as creative director with Barneys New York, Doonan is the secret weapon for trendy looks. Here, he takes some time to highlight his favorite styles and items for the coming season at Barneys NY. Get out your notepads because when it comes to fall fashion picks, this is what Simon says:

---

### [BNY Dog Collar W/ Crystals](#)

SD: My dog is called Liberace. Hello! This is right up his boulevard.

---

### [Vilebrequin Lobster Trunk](#)

SD: I'm digging the surreal lobster print. Maybe not so great if you have a sunburn, otherwise fabulous!

### [Etro Paisley Shirt](#)

SD: I am always trying to get guys to wear more printed shirts. Remember John Travolta in Saturday Night Fever? Bonjour!

---

### [Paul Smith Sock Stripe](#)

SD: Why wear boring socks when you can stripe it up? After you wear stripes you can never go back.

---

### [Dolce & Gabbana Mick Jagger T-shirt](#)

SD: He's STILL a major style icon. And the Stones are going on tour again, so rock it like Mick.

### [Felisi Camo Bag](#)

SD: This bag puts the MAN in manbag. The camo adds a super-butch touch.

---

### [Nike Yellow Sneaker](#)

SD: Yellow is the new chocolate brown..or something like that. Either way, you can rest assured you will NOT be hit by a car while walking at night.

---

### [CO-OP Private Label Bright Orange Suede Chukka](#)

SD: Wear these suede chukka's with jeans or shorts. Very Mathew McConaughey in Malibu, if you know what I mean.
