Some pieces are too classic to ever go out of style. They may get makeovers here and there – shorter, longer, thinner, wider, but fundamentally speaking, the concepts of a classic are simply put, classic. If you only buy a few classic pieces this season, put a collared shirt at the top of your list. Timeless and easy to wear with anything, from skirts to jeans and just as fun layered under sweaters, [collared shirts](#) have gone from work essentials to anytime-you-please, much to our liking. Take a look at these items:

Pippa Embellished Blouse

This coral colored Pippa Embellished Blouse is absolutely on the money not just for this season, but into spring and summer of 2013 as well. A flirtatious button-down back mixes both sexy and professional. Embellished gold detailing on both the collar and cuffs make this top stand out. While it's easy to pull this off in a casual way (with jeans as shown), you could also dress up and grab a high-waist skirt and pumps for a modern-retro vibe. One top, two entirely different ways to wear it!

Skull Is The New Black Blouse

Skulls don't have to be seen just around Halloween or only tattooed on a pirate's arm. Take this Skull Is The New Black Blouse from Necessary Clothing. Aside from an asymmetrical hem, the silhouette itself is classic. The print on the other hand is completely modern with a rocker edge. Rock this look with shorts or tight skinny jeans. Add one bright piece, maybe a cocktail ring or cute clutch as a finishing touch.

Medallion Sequin Blouse

The collar on this Medallion Sequin Blouse is exactly the pop of detail it needs to really set it apart. The most appealing part about this blouse is its versatility. An instant go-to with jeans and heels or flats, this top is far from a one-trick-pony. It can be dressed down with printed pants, or

dressed up when tucked into a skirt, with heels.

The above collared shirt staples can be worn with an array of various pieces, many of which you already have in your closet.
