Tuesday, 09 April 2019 09:17 -

Best of Our Valley winner [Blythe Grace, PLLC](#) is collecting items for care packages for the troops through Boots in the House program. Robert Reder, managing partner, invites the public to drop off items to be donated throughout the summer.

Frequently requested items include non-perishable food items like peanut butter, energy bars, ground coffee, tuna/chicken packets, microwaveable mac and cheese, to name a few. Boots in the House also accepts items of sunscreen, wool socks, deodorant, floss, toothpaste and more. (See above for a full list of needed items.)

Items can be dropped off at Blythe Grace, PLLC 4040 E Camelback Road, Suite 275 in Phoenix.
