In recognition of Breast Cancer Awareness Month, for the entire month of October some of our favorite local businesses will be giving hope and support to women battling breast cancer with mani-pedis, delicious bagels, free brake services and more.

Chandler's J. Philipp Centers for Family and Cosmetic Dentistry

The East Valley dentist will be hosting a supply drive to offer hope to women battling breast cancer. J. Philipp Centers is partnering with My Hope Bag to benefit women with breast cancer to give out My Hope Bags. The public is encouraged to stop by the office this month to donate items such as inspirational CDs, pink bracelets, breast cancer information, pink ribbon merchandise, monetary donations, and more. If you donate, you will be entered to win a free Zoom Whitening treatment, and a portion of the proceeds from the office's oral cancer screenings will also go toward the My Hope Bags. <http://jphilipp.com>.

Paradise Bakery & Cafe

Take a bite of something delicious this month to support breast cancer research. Paradise Bakery & Cafe's participating Phoenix locations are featuring their iconic Pink Ribbon Bagel, shaped in the form of the pink ribbon and featuring cherry chips, dried cherries and cranberries, vanilla, honey and brown sugar. For each Pink Ribbon Bagel sold, 25 cents from the sale will be donated to Dr. Susan Love Research Foundation, which is dedicated to identifying the causes of breast cancer and how to prevent the disease. There is no easier or tastier way to contribute this month than with a delicious breakfast treat! Visit their [website](http://www.paradisebakery.com) for a list of participating locations.

Valley Auto Repair Shop

Need your brakes fixed? Now is the time to do it. One of the largest fundraisers for breast cancer, the "Brake for Breasts" campaign combines car repair with a good cause. Throughout the month of October, customers will receive free brake pads when scheduling a brake service. Each shop will donate 10 percent of every brake service to the Cleveland Clinic Breast Cancer Vaccine Research Fund, which is close to finding an effective breast cancer vaccine. The campaign hopes to raise \$100,000 this year. Find a participating Arizona shop near you at www.brakesforbreastsAZ.org.

Luci's Healthy Marketplace

Luci's owner, Lucia Schnitzer, is bringing her own battle with breast cancer and inspiring success story to the marketplace to raise funds for the disease. This month, the marketplace will be featuring the Mrs. Arnie Palmer drink, a refreshing local lemonade and kiwi strawberry tea, in support of women with cancer. A percentage of the proceeds will go to The American Cancer Society, an organization that provides wigs for women with cancer. <http://www.lucishealthymarketplace.com/>.

For every garment collected, \$1 will be donated to the center.
