Have a wonderful Halloween!

Wishing you a very
Happy Halloween!

I hope this helps
your funny bone!

Some kiddos don't have the privilege of walking door to door, donning a pirate getup and munching on candy corn this Halloween. For the patients of [Phoenix Children's Hospital](https://www.phoenixchildrens.org/), show them that they are on your mind by sending a free Halloween e-card.

The process is simple: Visit PCHHalloween.org to select your Halloween message and design (a cute ghost, a witch or skeleton). Enter your name and email address, and the staff at Phoenix Children's Hospital will deliver your Halloween card to kids at the Hospital on Halloween, Oct. 31.
