UnitedHealth Group Hosting Virtual Job Fair to Fill 120 Combined Pharmacy Technician and Pharmacy Clerk Positions

UNITEDHEALTH GROUP®

WHAT:

OptumRx, a leading pharmacy care services organization and one of the Optum companies of UnitedHealth Group, will host a virtual job fair to fill more than 120 combined pharmacy technician and pharmacy clerk positions. The new positions will support the needs of a growing member and client base, enabling OptumRx to continue delivering excellent health care experiences to the consumers it serves.

The virtual job fair will take place on Wednesday, July 29 from Noon -2 p.m. CT. Interested candidates are encouraged to visit the UnitedHealth Group Careers [website](#) to learn more about the openings before the job fair.

The positions will be based at the Optum fulfillment pharmacies located in Costa Mesa, Calif.; Overland Park, Kan.; Phoenix, Ariz.; and Sugarland, Texas.

OptumRx specializes in the delivery, clinical management and affordability of prescription medications and consumer health products. With a network of 67,000 community pharmacies and state-of-the-art home delivery pharmacies, OptumRx's high-quality, integrated services help deliver optimal member outcomes, improved savings and outstanding customer service to more than 60 million people.
