Located in the heart of the Las Vegas Strip, ARIA Resort & Casino is a AAA Five Diamond Award-winning destination that is different by design. This is an epic resort filled with spectacular public spaces, world-class amenities and endless temptations.

ARIA guests experience pure bliss upon entering their luxurious guestroom. Each room and suite features panoramic floor-to-ceiling windows, custom-designed bedding and cutting-edge technology – which creates that hallmark experience for these plush retreats. Upon first entering the room, each guest will experience a truly unique welcome: curtains open, lights turn on and the TV displays a menu of options, allowing them to personalize their experience. The touch of a button controls temperature, music and TV channels, privacy notifications, and alarm clock and light settings.

For an elevated level of luxury, the ARIA Sky Suites are the ultimate destination for discerning guests. In addition to this hotel-within-a-hotel's lavish accommodations, Sky Suites adds personalized touches. From complimentary airport limousine transportation to a personal greeting upon arrival into Sky Suites' private entrance, Sky Suites guests receive dedicated service throughout their stay.

ARIA has assembled an impressive collection of some of the world's most critically acclaimed chefs and restaurateurs, including Michael Mina, Julian Serrano, Jean-Georges Vongerichten, Sirio Maccioni and Jean-Philippe Maury. Joining this illustrious group are two newcomers to the Las Vegas scene – Michelin three-star Chef Masa Takayama and James Beard Foundation's Award-winning Chef Shawn McClain. ARIA also offers a dynamic selection of bars and lounges, including the seductive HAZE Nightclub.

The Spa & Salon at ARIA offers a complete menu of skincare, massage and hydrotherapy treatments, as well as a co-ed balcony overlooking the resort's beautiful pools. The indulgent spa and full-service salon is complemented by a barbershop, deluxe fitness room and group exercise studio.
