Plug and Socket

Every plug needs to go into an outlet socket. This creative costume isn't for the faint of hearts, but it will definitely have your friends laughing.

Wendy and Peter Pan

Every girl loves a guy in tights, especially green ones. Relive this classic Disney tale as you and your beau fly to Never Never Land for a night.

Thing 1 and Thing 2

They are a Seussical pair from *The Cat in the Hat*. Sure, they make a little mischief and mayhem, but this is a cute idea for couples of all ages.

Mario and Princess Peach

Mario has jumped and leaped over various barriers to rescue his beloved Peach. Have your significant other rock a beard while you bejewel yourself in Princess gems. This is a great costume for game lovers!

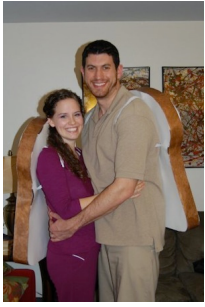

Guidette and Guido

Guidettes and Guidos have taken over the scene ever since audiences were introduced to cast members of "The Jersey Shore." Spray on a little too much tan and give yourself a paint on 12-pack because nothing says Halloween than a Situation lookalike and his Snooki-fied lady.

Peanut Butter and Jelly Sandwich

So many lovebirds use the phrase, "You are the peanut butter to my jelly." What a cute and creative idea for a Halloween costume. Have one be a slice of bread with peanut butter and the other with jelly.

Nerds Candy

It's okay to be a little nerdy this Halloween. In fact, be the nerds inside of a decorated cardboard box that looks like the Nerds candy.
