Perfect weather's here and we're officially in our tourist season. Are you coming to Rocky Point this year? We have a renewed excitement waiting for you. Here are a few activities waiting for you to arrive.

Have you ever visited the oyster farm? Drive out Freemont Boulevard and turn right at the Ostiones Acua Mar sign (it's less than 10 minutes from town). Bring a picnic, music and enjoy fresh oysters straight from the oyster farmer to you. You'll love the feeling of a lazy day by the water while sitting at your table enjoying your fresh catch.

For the more adventurous tourists we have jet skis you can rent for half the price of California or Lake Tahoe. The rate is \$60.00 per hour. The rental process is easy and in town

One of our favorites is El Conchal restaurant. El Conchal has the very best shrimp tacos ever! They are out of this world. Ask for the "governor's style"; you'll be so glad you did. They have their special El Conchal sauce at the table and for purchase, plus cold beers, fans and so much more. We're there at least once a week.

The evening of May 4th beginning at 6:00 P.M. we'll have our 2nd Annual Tequila and Mariachi Festival located in the Old Port. \$10.00 per person or \$20.00 for VIP table seating. Enjoy the sounds and samplings of Penasco with many foods and various Tequilas all on display throughout the festival. www.tequilapenasco.com

May 25th is the second Annual Las Vegas Charity Night. This year it's being held in the 2nd floor conference room at the Sonoran Sky Resort. With black jack tables, a roulette table and possibly a craps table you're in store for a fun evening. Tickets include a buffet dinner from the Sonoran Sky Ocean View Restaurant. Last year it proved to be one of the most fun nights in Puerto Penasco. All proceeds from ticket sales got to the Family Assistance Charity Program (DIF).

Every 1st and 3rd Saturday through May we have our own Mermaid's Market at the Shrimp Park on Boulevard Juarez and Freemont Boulevard. The Mermaid's Market has an array of arts, crafts, clothing, gifts, treasures and more. It's a great way to spend the afternoon: 10:00 to 5:00 PM. Be sure to stop by Naomi's "Off the Beach" and ask her about the fashion show event each spring and fall.
